2.1. None	
 Question from the public 3.1 Mr. Wadhams asked for an update on the Flooding Grants. Unfortunately, the grants were for properties were water had entered so they wouldn't apply to this situation. The Clerk has reported the problem to highways due to the issue started in 2008 when kerbs hadn't been fitted when drainage work was done. Awaiting response Mr. Wadhams to tell Clerk if SC contact him. 	<u>Mr Wadhams to</u> <u>keep the Clerk</u> <u>in touch with</u> <u>developments</u>
 3.2 Mr. Wadhams also asked about progress on the Defibs. The phone boxes have now been adopted. The next stage is to ask for a quote to get the phone boxes refurbished to fit the Defibs and to find volunteers to care take them. There will be training arranged when it is safe to do so. When arranged it will be advertising on the Bitterley FB page. 3.3 Mr. Cherry asked when did the Council last review the supplier of electricity? And did that review consider obtaining power from a provider who supplies energy from renewable sources? Has the Council considered reducing the cost of the electricity bill? For example, could the streetlights in Bitterley be turned off between midnight and dawn. 	<u>Clerk to</u> <u>arrange quotes</u> <u>for</u> <u>refurbishment</u> <u>works</u>
3.4 The Clerk is in the process of getting a quote from another provider but is struggling to provide the technical information they need. It was agreed that the Clerk ask the company used to repair the streetlights for a quote to look at the streetlights to gain the information, Clerk to email quote around to get authorisation to instruct company to continue.	<u>Clerk to get</u> <u>quote for</u> <u>getting</u> <u>required info</u>

<u>Clerk to</u> include on next

5. Matters Arising from the Minutes:	Clerk to
5.1 Clerk to contact the Steering Group of the Parish Plan to establish the next steps. To confirm if the remainder of the funding should be used to have a get together of the Parish when able.	<u>contact</u> <u>Steering Group</u>
5.2 Clerk to check with SC if they require a copy of the results.	<u>Clerk to</u>
5.3 The Clerk contacted the Clerk to Stoke Prior Parish Council to see how the information email they send out to residents works. A database would need to be started using existing contacts as starting point. They have 20 emergency warden volunteers to facilitate. Each warden is within a 30 walk of their area as Face to Face contact is much better. The clerk would have to be given the information to share in a timely Manner, out of date information would be no good.	<u>contact SC</u> <u>Clerk to</u> <u>include on next</u> <u>agenda to</u> <u>discuss</u>
6. Roads	
6.1 The Road to RoundThorn has still not be dealt with, Clerk to check Progress.6.2 The road has several potholes from the Farm up to Knowbury.	<u>Clerk to</u> contact SC

6.5 We have had confirmation from SC that they will investigate the issues we have raised about a no footpath with child sign or a narrowing sign on the Bedlam Road and they will see if any signage is considered appropriate, then this will be put forward for inclusion as part of their future Traffic Management Minor Works Programme, where it will be subject to available funding and prioritisation against other competing scheme requests.
